

Easter Holiday Club 2018

Open to all children aged 4-11 and on primary school register September 2018

As a voluntary run Group we are a non-profit making charity operating a holiday club to support the needs of our users. We are however reliant on securing enough interest in the sessions we offer to cover the costs of the provision. Regrettably at times this has meant we have been unable to open for the whole advertised program, this time we are offering a 4.30 finish however this will be dependent on numbers as always. In order to minimise disruption to our users we would be grateful if all booking forms can be returned to the setting accompanied by the payment by Friday **16th March 2016**. Payments will not be banked until this date. We will only contact you if there is any change to the requested sessions.
