

Summer Holiday Club 2019

Open to all children aged 4-11 and on primary school register September 2019

As a voluntary run Group we are a non-profit making charity operating a holiday club to support the needs of our users. We are however reliant on securing enough interest in the sessions we offer to cover the costs of the provision. Regrettably at times this has meant we have been unable to open for the whole advertised program Qualified Staff are available to run sessions until 4.30 each day. However, should there be insufficient interest in the later finish, we will contact you. In order to minimise disruption to our users we would be grateful if all booking forms can be returned to the setting accompanied by the payment by the **5th July 2019**. Payments will not be banked until sessions are confirmed. We will only contact you if there is any change to the requested sessions.
